Design Eindhoven

Design hotspots

Hunting down design spots for shopping, dining, and events? These are your must-visit hotspots!

87 Kelderman en van Noort (KEVN)

An exhibition space, restaurant, and creative hub all in one. KEVN fuses graphic art, live music, and a cozy café atmosphere.

Galileestraat 2

84 Piet Hein Eek

You might know Piet for his famous scrap wood furniture. Visit his workshop, or admire his and other talented artists' work in his shop and showroom. Seeking a bite to eat or a place to stay? Piet Hein Eek is just the spot for you!

Halvemaanstraat 30

131 Sectie-C

With its 250+ artists, designers, musicians, writers, and craftsmen, Sectie-C is a vibrant creative hub! Shop, check out an exhibition at THE POOL, enjoy food and drinks, or stop by one of the open house days.

Daalakersweg 2

Eindhoven

Design District

Discover design in Eindhoven

Discover design in Eindhoven

Both seasoned design enthusiasts and the 'just curious' crowd can unlock the design power of Eindhoven Design District with this map!

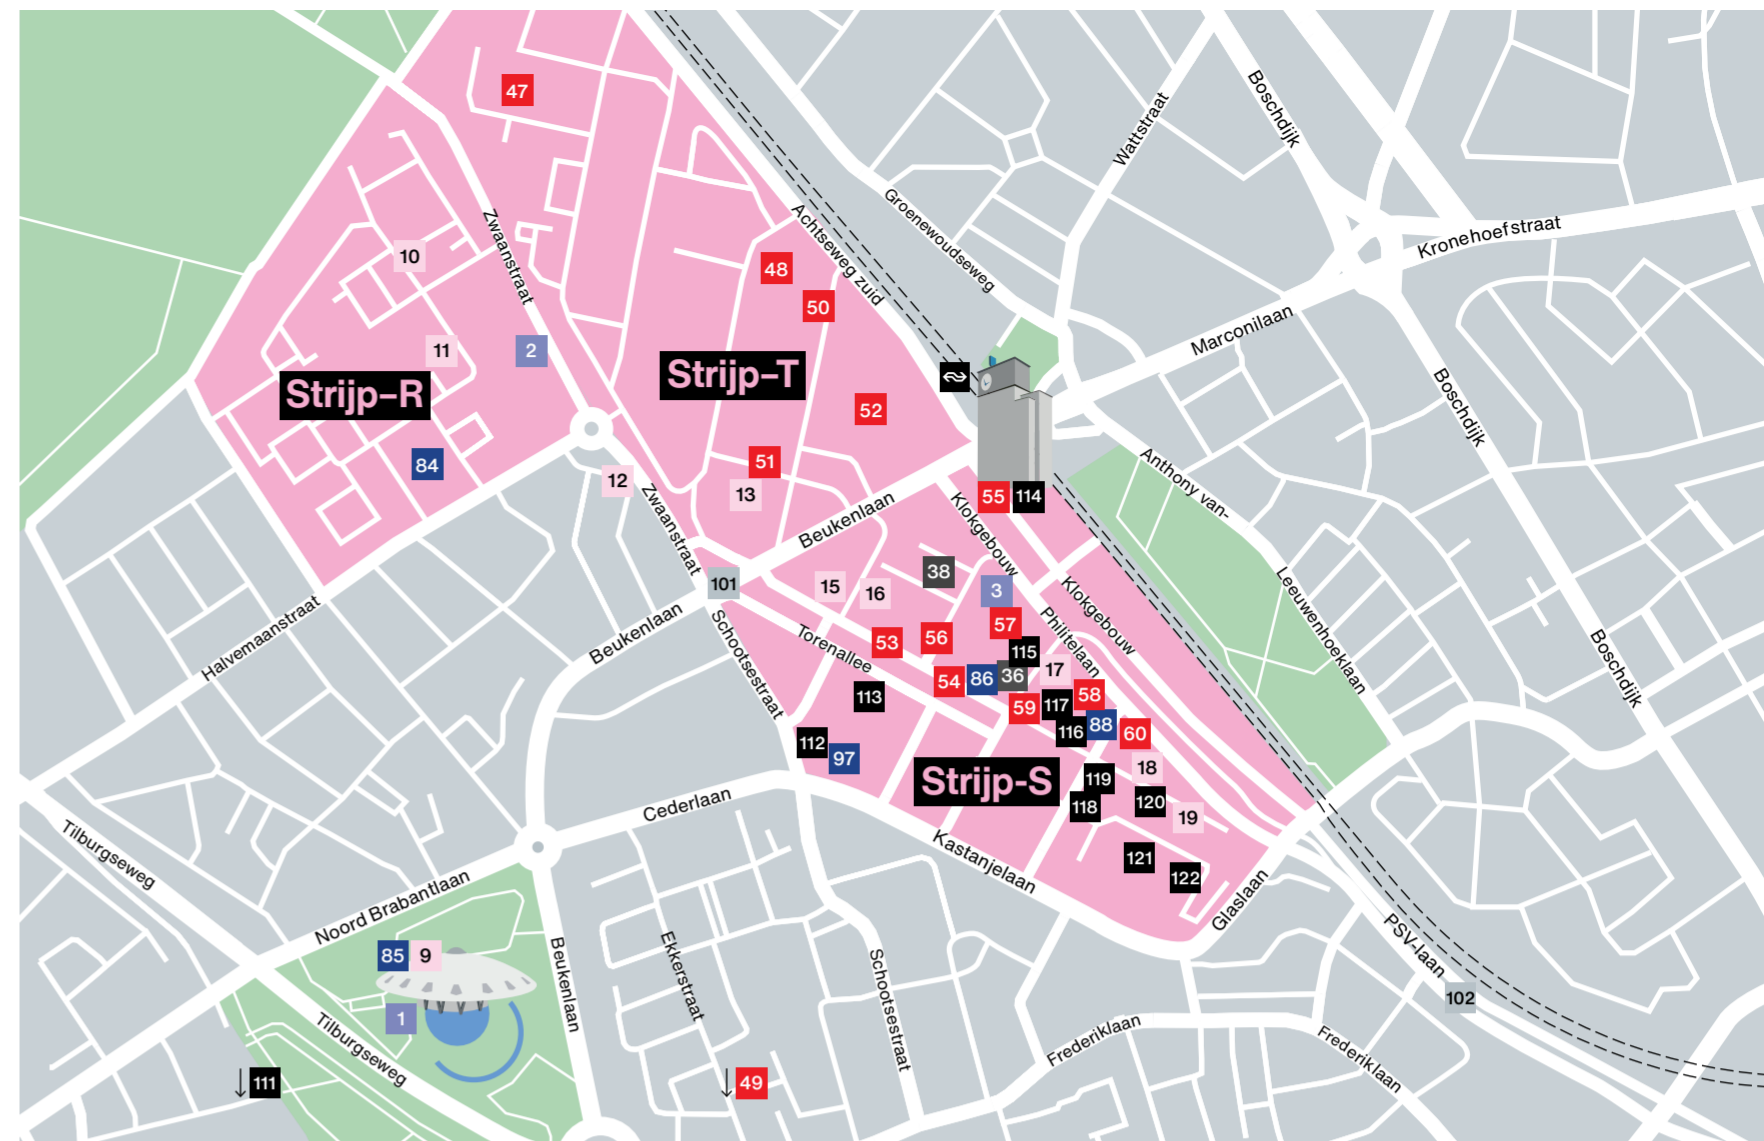

This is a publication by Eindhoven Design District. Copyright 2024.

An initiative of:

Made possible by:

Strijp-S, Strijp-T, and Strijp-R are the three industrial sites developed by Philips in the 1900s. Today, they offer a vibrant mix of exhibitions, design studios, creative hubs, and innovative enterprises.

86 MU Hybrid Art House

57 HIER

48 Contour

Green design

1 The Many Tree
Flexible solution by Joshua Russo for a greener city.
Noord Brabantlaan 1A

2 Zoompark
Green design by Frits Philips: 'hemline' of trees surrounding Strijp-R.
Zwaanstraat en Halvemaanstraat

3 Dak van het Ketelhuis
Roof with fruit trees and beehives. Designed by Amaro Creative Industries.
Ketelhuisplein 1

Architecture

9 Evoluon
Iconic 'spaceship' with futuristic exhibitions, designed by Louis Kalff and Leo de Bever.
Noord Brabantlaan 1A

10 Walkway apartment
Hypermodern apartment in a Philips walkway, only 2.5 meters wide. Design by Houben / Van Mierlo.
Beeldbuising 10

11 RAG Pomgebouw
Transformed from industrial heritage to iconic lofts, designed by Eek & Dekkers.
Beeldbuising 30

12 Drents Dorp
Placemaking by Philips for larger working-class families from Drenthe, designed by architect C. Smit.
Zwaanstraat

13 Innovation Powerhouse
The former Philips power plant, an iconic space, home to innovative businesses. Redesign by Atelier Van Berlo.
Zwaanstraat 31a

15 Construction Veemgebouw
Monument with a modern addition: homes on the roof. Designed by Caruso St. John.
Torenallee 86

16 Haasje Over
Design on the roof by IBIS Power: a PowerNEST generating electricity from sun and wind.
Veemstraat

17 Trudo Tower
Tower with a whopping 125 trees and 5,200 bushes and plants, by architect Stefano Boeri.
Philitleaan

18 Chinese Pavilion
Gift from the Chinese city Nanjing, by architect Zhao Chen and Van Aken.
Torenallee 18

Interior design

19 Porter's Lodge
The old Strijp-S porter's lodge in a semitransparent synthetic 'skin' with LEDs, by Van Aken.
Torenallee 1

36 Bakkie040
Modular and sustainable extension to container city Plug-in-City, designed by Bygg.
Leidingstraat 17a

38 Area 51
Europe's largest wooden skate park, designed by Maurer United.
Ketelhuisplein

Public design

47 Silo Living
Speculative design of living in a grain silo by Stella van Beers.
Achtseweg Zuid 211

48 Contour
Fairytale light installation designed by Aptum.
Achtseweg Zuid 151C

49 Vivanti benches for the elderly
Benches for the elderly by Denovo Design with national fame.
Strijpsestraat 196

50 Trouble Light
Colorful lamp, designed by Atelier van Asseldonk.
Achtseweg zuid 151A

51 Lichtfietsers & Luchtkastelen
Light art on Innovation Powerhouse's chimneys by Hugo Vrijdag.
Zwaanstraat 31L

52 Bust Gerard Philips
Giant sculpture of Gerard Philips with lighting by Signify.

53 Smart street lighting
Pioneering smart street lighting, by Het Lux Lab.
Torenallee

54 Big corten steel letters
Special signage to find your way on the Torenallee by Snode Vormgevers.
Torenallee

55 Klokgebouw Entry
The entrance pavilion by Snode Vormgevers in the Klokgebouw.
Klokgebouw 50

56 De Leidingstraat
Green street design by Piet Oudolf with light art by Har Hollands.
Leidingstraat

Exhibitions spaces and museums

57 HIER
I am 'HIER' (here): meeting point designed by Snode Vormgevers.
Ketelhuisplein

58 De Geluksvogels
Colorful bird swings, designed by Hugo Vrijdag.
Leidingstraat

59 Big Yellow Clay Chair
Huge version of Maarten Baas's famous clay chairs.
Torenallee 30

60 Fakkels
Light art by Har Hollands commending Strijp-S's industrial past.
Philitleaan 67

Creative hubs and educational institutions

84 Piet Hein Eek
Creative hub and exhibition space by Piet Hein Eek.
Halvemaanstraat 30

85 Next Nature
Cross-pollination of biology and technology with interactive exhibitions.
Noord Brabantlaan 1

86 MU Hybrid Art House
Expo space for everything from visual arts to design and from digital to bio-art.
Torenallee 40-06

88 De Ontdekfabriek
Interactive museum about science, design and technology.
Torenallee 22

97 Natlab
Once the innovation laboratory of Philips, now cinemas and expos.
Kastanjelaan 500

Street-art by designers

101 Op handen gedragen
Hands of residents carry the Strijps Bultje, by Lotte Verbakel.
Zwaanstraat / Torenallee

102 Graffiti wall PSV-Iaan
Artwork of PSV Eindhoven football icons by Niels Bakkerus.
PSV-Iaan 85

111 Fashion Tech Farm
Incubator for the exploration of sustainable fashion innovations.
Zeelsterstraat 80

112 Balten Laboratories
Lab conducting research on art, design, technology, and science.
Kastanjelaan 500

113 SintLucas
Vocational school for young makers and designers.
Torenallee 75

114 Klokgebouw
Iconic Philips building transformed into a creative hub.
Klokgebouw

115 Plug-in-City
Container 'city' for experiments with designers, architects, and artists.
Leidingstraat 17A

116 New Order of Fashion
International platform for a circular fashion and textile industry.
Torenallee 22

117 Foundation We Are
Design institute for socially responsible design.
Torenallee 22-04

From architecture and green design to creative hubs and design objects: explore the city's design power.

Eindhoven Design District

Districts

- A Strijp-R**
Creative hotspot with studios and Piet Hein Eek's workshop.
- B Strijp-T**
Design and technology hotspot with a rich history.
- C Strijp-S**
Design district full of architecture, shops, exhibition spaces, and restaurants.
- D NRE-terrein**
Lively creative area with restaurants and unique architecture.
- E Technical University Eindhoven**
TU/e campus with unique architecture, home to 10,000+ students.
- F Kanaalzone**
Industrial zone with design studios and creative hubs.
- G De Caai**
Creative and innovative neighborhood in development.

Green design

- 4 Prins Clausplein**
City oasis with an innovative water storage system, designed by Donker Design.
[Prins Clausplein](#)
- 5 City Hall Garden**
Innovative city hall garden with flora and fauna of the Dommel. Designed by SMARTLAND and Yuka Yoshida.
[Stadhuisplein 3](#)
- 6 Magical Garden**
Social design project by Coen van Ham for the ultimate green street.
[t College](#)
- 7 Greenery on the NRE-terrein**
Design planters and green 'curtains' on building facades, designed by SMARTLAND.
[Gasfabriek](#)

Architecture

- 8 Project Milestone**
The first habitable 3D-printed houses in the Netherlands. Designed by Houben / Van Mierlo.
[Bosuil](#)
- 14 Waaggebouw**
An inviting 'living room' in Woensel-West. Designed by NEXT Architects.
[Caeliusplein](#)
- 20 De Bakermat**
Apartment building based on a child's drawing of a house by Maarten Baas.
[Marconilaan 3](#)
- 21 VB-gebouw**
Monumental landmark and former Philips headquarters, by architects Roosenburg, Verhave, Luyt and De Jongh.
[Boschdijk 525](#)
- 22 Living LAB 040**
Neighborhood as a living laboratory for new housing and living concepts.
[Kwartier 1](#)
- 23 Ventoseflat**
Once a cigar factory, now an Amsterdam School residential building, designed by Joan van der Meij.
[Mathildelaan 59](#)
- 24 De Blob**
Futuristic landmark by architect Massimiliano Fuksas.
[Nieuwe Emmasingel 2](#)
- 25 De Bijenkorf**
Designed by Gio Ponti, inspired by Dutch 'polders' from the air.
[Piazza 1](#)
- 26 Central Station Eindhoven**
Canopy over the tracks made of temporary bridges from WWII, design by Koen van der Gaast.
[Stationsplein](#)
- 27 DOMUSDELA**
The city's oldest building with a hyper-modern expansion, by diederendirix.
[Kanaalstraat 4](#)
- 28 The Bunkertoren**
Tower on a brutalist monument, designed by Powerhouse Company.
[John F. Kennedylaan 3](#)
- 29 Effenaar**
Compact music venue with striking staircases on its facade, designed by MVRDV.
[Dommelstraat 2](#)
- 30 Vertigo**
Sustainable building with a print of the Sagrada Familia scaffolding, designed by diederendirix.
[Het Kranenveld 8](#)
- 31 Atlas**
The world's most sustainable educational building, designed by Team RSVP.
[Het Eeuwse 53](#)

- 32 MetaForum**
Architectural masterpiece by Ector Hoogstad Architecten: the 'living room' of the TU Eindhoven.
[De Groene Loper 5](#)
- 33 The Body Building**
Building with a 'breathing' facade of bio materials, by Bart Hess, Rombout Frieling and Werkstatt.
[Gashouder 41](#)
- 34 Vestadatoren**
Prize-winning architecture by Jo Coenen: the Eindhoven version of The Flatiron Building.
[Vestdijk](#)

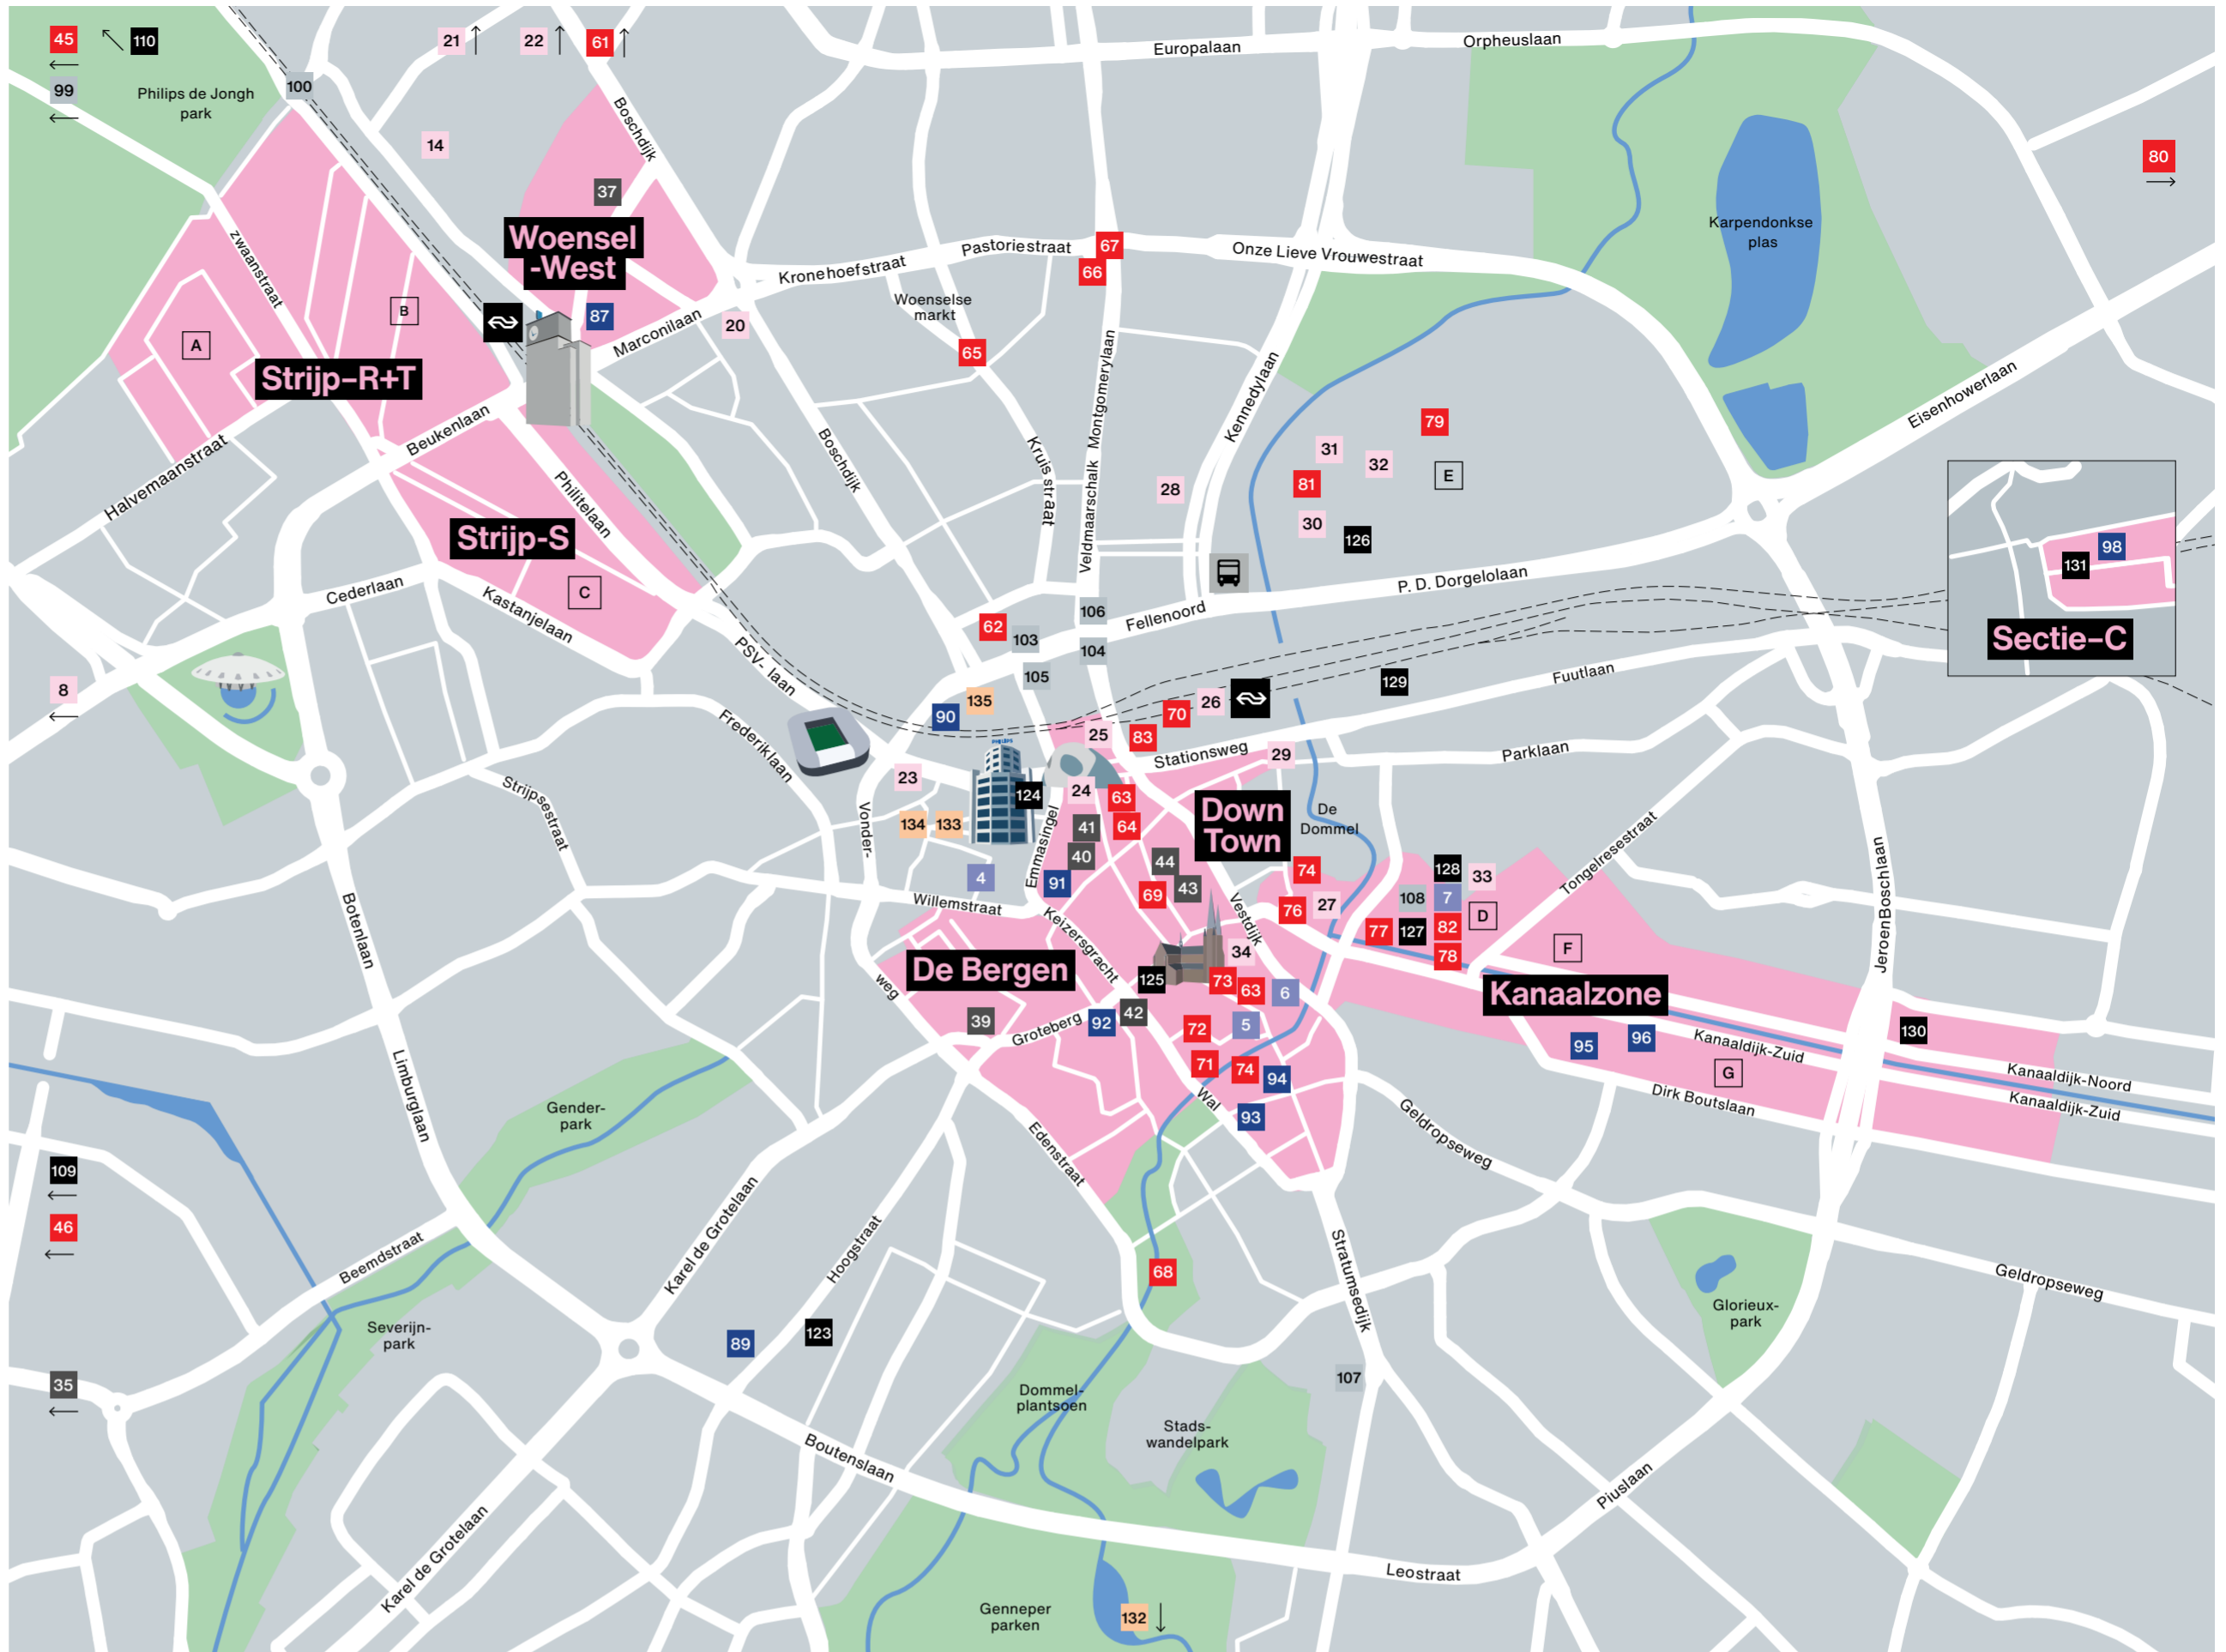

Interior design

- 35 VDL**
Stunning building lighting with light installation by VANTOT.
[Hoevenweg 1](#)
- 37 Restaurant Frank**
Restaurant interior design by Eindhoven designer Tessa Koot.
[Franklinklein 2](#)
- 39 ANSH46 Café**
Interior design with Japanese influences by Atelier van Asseldonk.
[Grote Berg 72](#)
- 40 Vielgut**
Shop interior designed by Piet Hein Eek with his famous scaffolding furniture.
[Nieuwe Emmasingel 38](#)
- 41 Ace & Tate**
Shop interior designed by OS Δ OOS, inspired by Philips' past.
[Nieuwe Emmasingel 26](#)
- 42 Woonbedrijf**
Design of the interior and visitor experience by Van Eijk and Van der Lubbe.
[Wal 2](#)
- 43 Muziekgebouw**
Ontwerp van interieur én beleving door Van Eijk en Van der Lubbe.
[Jan van Lieshoutstraat 3](#)
- 44 M by Muziekgebouw**
Interieurdesign door Bygg met werk van diverse Eindhovense ontwerpers.
[Jan van Lieshoutstraat 3](#)

Public design

- 45 Bicycle bridge Tegenbosch**
Bicycle bridge over fourteen traffic lanes with dynamic lighting, designed by ipv Delft.
[Tegenbosch](#)
- 46 Hovenring**
The world's first floating bicycle roundabout, by ipv Delft.
[Hovenring](#)
- 61 KWIEK exercise route**
Design by Denovo Design to encourage elderly people to exercise.
[Waddenzeelaan 2](#)
- 62 De Paddenstoel**
Brutalist 'mushroom' canopy on Fellenoord.
[Fellenoord 33](#)
- 63 Eindhoven heritage on manhole covers**
Post-WWII reconstruction of Eindhoven on manhole covers by Atelier van Asseldonk.
[Demer](#)
- 64 Intelligent Lighting System Eindhoven**
Adjustable smart lighting to create a pleasant living environment, designed by Het Lux Lab.
[Demer](#)
[Stratumseind](#)
- 65 Sitting area and stage**
Circular sitting area/stage by Denovo Design referencing the old music kiosk.
[Woenselse Markt](#)
- 66 Lacelike fence**
A 'lace' fence, created by Demakersvan.
[Schoenmakerstraat 2](#)
- 67 De Zwerm**
A swarm of 700 steel birds with LED lights that move along with passersby, designed by Frank Tjepkema.
[Veldmaarschalk Montgomerylaan](#)
- 68 Illuminated playground**
Multifunctional street lamp with a soccer goal by Mieke Ummels.
[Lex en Edo Hornemannplantsoen](#)
- 69 Kei-Like**
Eindhoven's love by Tessa Koot: two street lamps forming a heart.
[Markt](#)
- 70 SPACE**
Daan Roosegaarde envisions how the earth looks from space.
[Stationsplein 1](#)
- 71 Bus stop designed by Rietveld**
Designed by Rietveld, with varying designs by local talent.
[Wal](#)

Design District Eindhoven

Design District Eindhoven

- 72 Living clock**
'Living' clock, designed by Maarten Baas.
[Stadhuisplein 1](#)
- 73 Downtown pavers**
Designers helped create new paving stones of Eindhoven.
[Stratumseind](#)
- 74 Het Roze Huisje**
'Something just for you': this pink house is also the world's shortest covered bridge.
[Stratumseind 2](#)
- 75 Iets Hogers**
Ode to the ordinary by Maarten Baas.

Inspiring location full of creative energy.
[Eindje 1](#)
 - 91 Philips Museum**
From light bulbs to worldwide powerhouse: dive into the world of Philips.
[Emmasingel 31](#)
 - 92 Kazerne**
Exhibition spaces and a hotel, restaurant, and cafe/bar with a focus on design.
[Paradijslaan 2](#)
 - 93 Albert van Abbehuis**
Art and culture platform in the former villa of Albert van Abbe.
[Bilderdijkstraan 19](#)
 - 94 Van Abbemuseum**
Leading museum exploring the convergence of art and design.
[Stratumseind 2](#)
 - 95 Onomatopee**
Gallery and publishing house specializing in art, design, and music.
[Lucas Gasselstraat 2a](#)

- ## Creative hubs and educational institutions
- 96 Kiki & Joost**
Exhibition space by designers Kiki van Eijk and Joost van Bleiswijk.
[Gabriël Metsulaan 1](#)
 - 98 THE POOL**
The cultural 'clubhouse' of Sectie-C with exhibitions and events.
[Daalakkersweg 2](#)
 - 99 How its made**
Mural by Johan Moorman celebrating the high-tech industry.
[Vensedijk / Anthony Fokkerweg](#)
 - 100 Collecting Cultures**
Cultures from locals as graffiti, a project by BioArt Laboratories.
[Bezuidenhoutseweg / Achtseweg Zuid](#)
 - 103 Women Live Freedom**
Mural to support oppressed women in Iran by Niels Bakkerus.
[Kruisstraatunnel](#)
 - 104 Together Forever**
Johan Moorman depicts connections between people in this mural.
[Vestdijktunnel](#)
 - 105 Heroes Tunnel**
Young local heroes mural by Spielertj and Design Academy Eindhoven.
[Kruisstraatunnel](#)
 - 106 Hand work**
Mural of walking hands by Harneke Wetzter.
[Fellenoord](#)
 - 107 Welcome to the Future**
Mural looking toward the future, by Johan Moorman.
[Looiakkerstraat](#)
 - 108 Energy**
Graffiti by Johan Moorman to celebrate the creative energy of the NRE-terrein.
[Gasfabriek](#)

- ## Street-art by designers
- 109 PLAN-B**
Incubator for startups, designers, and artists.
[Hurksestraat 19](#)
 - 110 BioArt Laboratories**
Lab for biological arts, where design and science meet.
[Oirschotsedijk 14-10](#)
 - 123 Hallenweg**
Creative hub with Delft-style architecture.
[Hallenweg](#)
 - 124 Design Academy Eindhoven**
Internationally recognized design academy.
[Emmasingel 14](#)
 - 125 Residency for the People**
Downstairs a bar, upstairs a workshop for creative makers.
[Kerkstraat 1](#)
 - 126 TU/e Innovation Space**
Community space where students tackle societal challenges.
[Het Kranenveld 12](#)
 - 127 Make Eindhoven**
Experimentation-focused workshop for artists and creative makers.
[Gasfabriek 12](#)
 - 128 NUL ZES**
Workspaces and a creative lab.
[Gasfabriek 3a](#)
 - 129 Fuutlaan Hall | Spoor K**
Creative gathering place for designers, architects, and other creatives.
[Fuutlaan](#)
 - 130 Kade Clubhuis**
Creative hub by the canal with a large industrial workshop.
[Kanaaldijk-Noord 57C](#)

- ## Under development
- 131 Sectie-C**
Unique hotspot for creatives with shops, exhibitions spaces and food and drink places.
[Daalakkersweg 2](#)
 - 132 Facade of the Tongelreep**
Innovative facade cladding by Overtreders W.
